Re No. 719 acct/42 dated 20 July, 1942.

Sir,

Sub: POLICE - Bellary District - Cowl Bazaar Police lines - scavenging charges expenditure - Sanction requested.

---oOo---

I have the honour to request that the Government will be pleased to sanction an expenditure of Rs 10/- (Rupees Ten only) per mensem from 1st July 1942, being scavenging charges in respect of the line huts occupied by the men of the Cowl Bazaar Police Station, Bellary district.

2. There are two blocks, each of twelve line huts, at Cowl Bazaar. The sullage and sewage water of these lines was flowing into the premises causing nuisance to the passers-by and to the inhabitants. A revetted drain with parallel dispersion trenches was built to remedy the insanitary condition. A combined Sweeper and Scavenger has been employed from 1st July 1942 to work the shutters of the dispersion trenches.

3. A scavenging tax of Rs 24-8-0 per year is being charged by the Municipality and is included in the property tax on the police lines. No separate amount towards scavenging charges is being incurred.

4. As this is a new item of expenditure under scavenging charges, I request that the Government will be pleased to sanction it with reference to item 43(M) of Appendix 7 of the Madras Financial Code, Volume II. The charges are in accordance with the prevailing market rate in the locality.

5. The expenditure will be met from the appropriation under "29 c.Police - District Executive Force - A.District Police - I.Ordinary areas - 5.Contingencies - Authorised - Scavenging charges".

I have the honour to be,
Sir,
Your most obedient servant,

Please see the Home Department's note on page 2 ante. The question is whether in view of the scavenging tax of Rs 24-8-0 per year paid in respect of the Cowl Bazaar police lines Pellary the Municipality should arrange for the disposal of the sullage and sewage water of the lines referred ~~referred~~ to in para 2 of the letter on page 1 c.f. From section 81 (1) (d) of the M.D.M.Act it will appear that a scavenging tax is intended to provide for expenses connected with the removal of rubbish and filth or the carcesses of animals from private premise. Section 83 (4) of the Act empowers the Municipal Council to exempt any building from the payment of the tax if efficient arrangements for the daily removal of these have been made. Section 159 of the Act prohibits ~~the~~ allowing outflow of water from any sink drain or stable etc. The responsibilty for the disposal of sullage and sewage water of the Police lines therefore devolves on the

on the owners of the premises viz the Government.

With these remarks the file may be passed on to Finance Dept.

Rc. No. 1586/Aud/44 dated 24th October 1944.

Sir,

Sub:- Police - Buildings - Bellary District - Cowl Bazaar Police Lines - Scavenging charges - Expenditure sanctioned - Exemption from scavenging tax - Reported.

Ref:- G.O.No.Ms. 3437, Home, dated 19-9-42.

With reference to the Government Order cited, exemption from scavenging tax was claimed from the Bellary Municipality from 1-7-42 in respect of the line huts occupied by the men of the Cowl Bazaar Police Station, Bellary District. After protracted correspondence between the District Superintendent of Police, Bellary and the Bellary Municipality, the latter has granted an exemption of 50% of scavenging charges with effect from 1-4-1944 only, vide copy of letter D.Dis.No. 3631/44, dated 12-9-1944 of the Municipal Commissioner, Bellary enclosed.

2. The Commissioner, Bellary Municipality states that a portion of the conservancy service is still being done by the Municipality-vide copy of letter L.Dis.No.8097/43, dated 20-2-44. In the circumstances, I request instructions whether with reference to the orders of Government to claim exemption from scavenging tax from 1-7-42, the matter should be pursued further.

Ref:- Your letter Rc.No.1313/Aud/44, dated 13-8-44.

A copy of the Council Resolution granting 50% exemption is enclosed. This will be granted from 1-4-44.

Council Resolution No.180 dated 30-8-44.

Read letter Rc.No.1313/Aud/44, dated 2-8-44 of the District Superintendent of Police, Bellary requesting to allow rebate in scavenging tax on Cowl Bazaar Police lines as the men employed by their department is doing the major part of the scavenging work.

Read also Municipal Health Officer's remarks dated 23-5-44 thereon stating that the removal of rubbish and night soil alone there from is being attended to by the Municipal trenching ground since 8 months.

Read office note dated 22-7-44 recommending for exemption of 50% of scavenging tax levied on the above lines.

Sub:- Building - Police lines - Cowl Bazaar - Scavenging tax - Exemption - Position - Examined.
Ref:- Your Rc.No.1313/Acct/43, dated 3-11-43 and reminders.

With reference to para one of your above, I am to state that though the conclusions arrived at were that the thotty should be paid by your department, but work under my Health Officer, your department did not engage any totty at all. The conservancy was attended to only by Municipal thotties.

The night-soil collected by your totty attached to the lines is removed by the Municipal totty and carted away on Municipal carts to the Municipal trenching ground. Similarly the sweepings collected by your servant and kept in the dust bin lying in your premises, are carted away on the municipal carts to the Municipal trenching ground.

The scavenging tax received on the lines barely suffices the service rendered by the Municipality. If your department agrees to maintain the complete agency for the conservancy including the removal of sweepings and night soil to the trenching ground on your rubbish and night-soil carts, there will be no objection to exempt the premises from payment of scavenging tax. But I am afraid that the provision of equipment and removing agency will cost you very much more than what you are paying to the Municipality in the shape of scavenging tax.
